Forecast For Northeast England
Issued by Met Office Exeter
at 0400 on Tuesday 07 Sep 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Fine, dry and warm or very warm until Wednesday.

Today:
A fine and dry day on Tuesday, with plenty of sunshine once early mist and fog patches dissipate. Warm or very warm for most, though slightly cooler near the coast. Maximum temperature 25 deg C (77 deg F).

Tonight:
Dry with large amounts of evening sun, followed by plenty of clear spells overnight. Some light winds, leading to a few mist and fog patches. Mild. Minimum temperature 15 deg C (59 deg F).

Wednesday:
Another dry and sunny day, feeling again very warm. Some light winds, though breezy on hills and perhaps coasts. Sun becoming hazy in the evening. Maximum temperature 27 deg C (81 deg F).

Outlook for Thursday to Saturday:
Rather cloudy with sunny spells and showers, these widespread, occasionally heavy and locally thundery on Thursday. Showers more active in the west on Friday. Drier, brighter on Saturday. Less warm.
